

DAY PACKS

Eye N Stein

An all purpose pack that functions equally as well on the trails, streets or classrooms.

- Comfort flex harness incorporates shaped backpads with a central air venting channel.
- Pre-curved shoulder straps flair wider at the neck eliminating chaffing.
- The packs waist belt can be zipped closed inside the 'tuck-away' storage pockets.
- The large main compartment is accessed by a rugged size 10 zipper.
- A 'passport' pocket has a top mounted zipper and is great storage for items often used.
- The front pocket has good storage space and an excellent internal organizing pocket system for all of your smaller items.
- Two side positioned mesh bottle/accessory pockets will fit your 1L water bottles.
- Another mesh pocket is positioned on the front of the pack.
- Measures 20"/50.8cm tall by 12"/30.5cm wide by 8"/20.3 depth.
- Capacity: 35L
