

DAY PACKS

Little Pup & Big Pup

Style, function all in an eco-friendly direction. Our Pup series were with us a number of years ago but left home and have now returned better than ever.

- A single sling (shoulder strap) design that is quick and easy to wear while being both functional and stylish.
- A waist strap is attached to eliminate any 'rock and roll' when you are on the move. Ideal when inline skating or cycling.
- Plenty of space inside the main compartments for you daily needs, two sizes available
- Internally we have an accessory organizer to secure your smaller item
- A second front positioned zipper pocket is ideal for often used items like sunglasses
- conveniently positioned on the shoulder strap is a cell phone pocket
- we have also made this Pup series models using Repet fabric. Repet is fabric made from 100% recycled PET bottles. What you carry on your back is a step towards a 'greener' planet.
