

RECREATIONAL Family

Bonavista 64/100

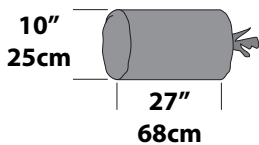

Category recreational family 3 season

Space, stability, unsurpassed air circulation, internal gear organizers, and a mammoth walk in vestibule. The Bonavista is truly the car campers package.

(Car not included)

- 4 pole modified geodesic freestanding design provides excellent internal space and wind stability
- Oversized vestibule will fit 4 camp chairs and provides rain/shade protection with side doors having mesh windows for added bug protection.
- Sides of the fly sheet have triangular window flaps that can be fully opened in fair weather or staked out on an angle to maintain rain protection while still allowing air flow.
- Optional footprints available
