

SCREENHOUSES

Hex & Hex XL Screenhouse with Curtain

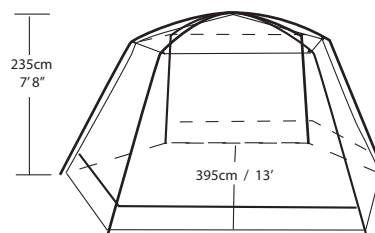

The EXO frame makes set up simple so you can quickly enjoy the outdoors without the worry of insects, rain or intensive sun.

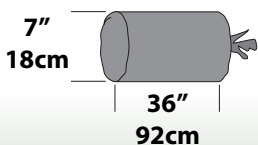

- Noseum mesh, keeps out ALL insects.
- Powder coated and chain corded frame sets up quickly.
- Two doors for ease of entry.
- Comes complete with detachable rain/wind curtains that attach on the inside.
- 3000mm coatings and taped seams
