

RECREATIONAL Family

Suite V Series 4 Aluminum

Category Recreational Family

- Unique frame design provides maximum internal tent height where you appreciate it the most, at the front of the tent.
- Unique 3 pole V shape dome provides spacious livability in a small overall footprint
- High door entry leads into vestibule that ensures dry tent entry
- Sidewall windows can be opened even during a downpour, partially, creating excellent ventilation
- Double D door front entry
- 4 storage pockets
- Optional footprints available
