

TIMBERLINE OUTFITTER

Timberline Sequoia 2XT, 4XT

Category

3 season

Proprietary Sequoia A-frame and updated materials provide unmatched strength, stability, ease of entry and increased internal volume in our timeless Timberline-style tents.

- Proprietary Sequoia A-frame with spreader pole creates internal volume for excellent livability
- 2 large vertical D-Style doors open for excellent visibility and controlled ventilation
- Fly creating vestibule can be configured in multiple ways, and vestibule wings shelter second door
- Freestanding frame with clips and post and grommet assembly make set up easy
- Optional footprints available
