

HIKING PACKS - INTERNAL FRAMES

Tofino Trail

- Two entry access either through top dual spindrift collar or, through lower clamshell #10 YKK zipper entry.
- Zipper internal shelf can be open to create one large internal compartment, or closed creating separate top and bottom storage areas.
- Panel opening front storage pocket also provides panel entry to main pack.
- Dual side mounted accessory/waterbottle pockets with compression strap securing systems.
- Twin vertical web on web daisy chains allow for accessory attachment locations.
- Side and bottom compression straps fully secure load.
- Tofino Trail LT - capacity: 65L; weight: 6.06lb / 2750g; torso fit: 13-20"/33-50 cm
- Tofino Trail MT - capacity: 70L; weight: 6.39lb / 3050g; torso fit: 15-21"/38-53 cm

Alpha Plus Harness

- Easy fit shoulder carriage system with Air mesh (Tofino Trail Women shoulder straps are contoured for a women's build).
- Comfort padding lumbar and hipbelt wings with Air mesh covering (Tofino Trail Women hipbelt is designed for a women's fit).
- Contoured backpack using 'No Sweat' mesh.
- All nylon webbing for smooth adjustments.

Themis

Another new model within our family of environmentally friendly packs, the Themis features Repet fabric in a full sized extended backpacking design.

- We have selected to use our Alpha Star harness that combines overall lightweight with excellent carrying comfort and strength
- easy to adjust to fit most body types.
- A two compartment pack that has an internal shelf enabling the pack to be separated into upper and lower compartments for better weight distribution
- The top entry dual spindrift collar and 'floating' hood allow for additional packing capacity
- The lower clamshell entry uses a rugged size 10 zipper and comes complete with an external zipper access accessory pocket.
- A front positioned accessory pocket also allows for direct access to the interior of the main compartment
- Comes complete with a raincover
- The main pack is fabricated using Repet fabric. Repet is fabric made from 100% recycled PET bottles. What you carry on your back is a step towards a 'greener' planet
- Volume 72 liters Torso Fit: 15-21"/38-53cm
- Colours, combination of taupe/black/blue
